

L Shaped Dock Bumper NBR 450L x 450W x 100H

Product SKU: 6004300

Provides corner protection along the top of the loading bay or dock leveller. Available in NR/SBR or tough Tyrecord Hi-Fibre rubber.

This dock bumper uses three bolt hole fixings to protect the top corner parts of the dock leveller or loading bay. It can be used in conjunction with other dock bumpers for comprehensive protection. Tyrecord Hi-Fibre material is an extremely strong and durable rubber made using a non-vulcanised tyre compound with nylon or rayon reinforcing fibres. Please note, there is no compatible back plate for this bumper.

Colour: Black

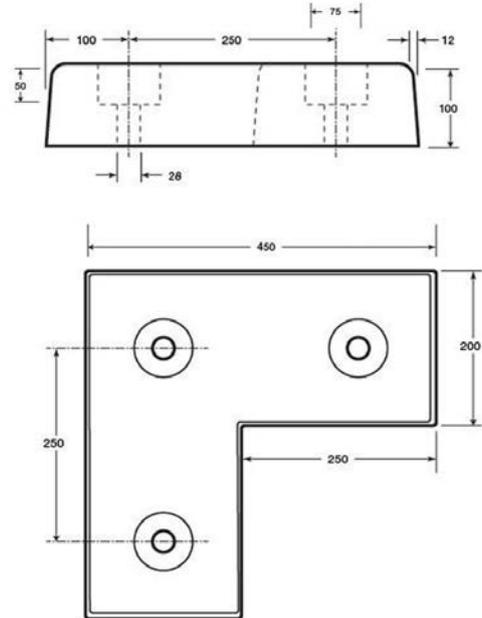

Material: SBR/NR

Weight: 12KG

Operating temperature range: -15°C to 70°C

| Physical Property | Unit | Typical Values |
|---------------------|------|----------------|
