**Operating temperature range: -15°C to 70°C**

### 3 Part Dock Bumper Set UHMWP 450L x 260W x 110H

Product SKU: 6009610

*This is a three part set that includes a front plate, packer plate and back plate.*

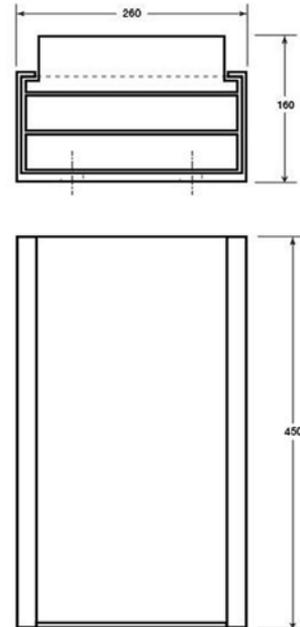

This dock bumper design features a back plate that secures to the loading bay allowing the front and packer plates to slide away for easy removal. The UHMWP front plates are made from a high molecular weight polyurethane material which is very durable, highly visible and has a low coefficient of friction. It is the best choice for high traffic areas where dock bumpers quickly become worn. Available in 2 different lengths and depths. For tougher conditions with high impact force choose the 160mm design.

**Colour: Yellow**

**Material: UHMWP**

**Weight: 27KG**

**Operating temperature range: -15°C to 70°C**

### 3 Part Dock Bumper Set UHMWP 450L x 260W x 160H

Product SKU: 6009611
