High Dock Bumper Back Plate Right 750L x 400W x 100H

Product SKU: 6010914

Collection of back plates used to secure the dock bumpers along walls or dock levellers.

Back plates help improve the structural integrity of the dock bumper whilst making assembly much easier. It is highly recommended to secure the dock bumper with a backing plate. The 3-part set, high visibility and slimline dock bumpers are sold with the back plate included. Please contact our friendly sales team for the best advice according to your application.
