## High Visibility Dock Bumper 2 Fixings 450L x 250W x 115H

Product SKU: 6009400

High visibility design with a durable and low coefficient of friction polyurethane front plate. Available with 2 or 3 bolt holes.

These high visibility dock bumpers help drivers line up their vehicles with the dock. They are made from a high molecular weight polyurethane material which is very durable and has a low coefficient of friction. Both the front and back plate can be easily replaced in case they become worn.

Colour: Black / Yellow Material: UHMWP Weight: 12.5KG Operating temperature range: -15°C to 70°C
