

Oval Buffer Solid 65L x 33W x 22H

Product SKU: 6006401

Two bolt hole rubber bump stops suitable for use on lorries, vans, ramps, loading bays and doors.

The oval rubber bumper stop can be easily fitted to almost any surface via the counter sunk holes. These buffers are made from hardwearing UV resistant SBR rubber and are available as hollow cored or a non-hollow cored version. There are 3 versions of this buffer: The solid buffer for heavy impact, a hollow cored version to suit lighter applications and the extended base version which gives 52mm of clearance.

Colour: Black

Material: NR/SBR

Operating temperature range: -15°C to 70°C

Physical Property	Unit	Typical Values
Hardness	ShA	75
Elongation at Break	%	200
Tensile Strength	MPa	4
Weight	KG	0.041
