

TyreCord Wheel Chock 254L x 185W x 200H

Product SKU: 6010930

Tyre Cord Hi-Fibre is an extremely tough rubber compound made with nylon or rayon reinforcing fibres.

The toughest HGV wheel chock we offer. This standard sized design is made from 100% solid TPX or Tyre Cord Hi-Fibre rubber. This item has an integrally moulded horizontal handle with a moulded hole to take a shackle to fix a chain or rope. Safety notice - Only select the appropriate wheel chock according to the type and size of your vehicle. Wheel chocks should be used in pairs and applied only when the vehicle has come to a complete standstill. It is paramount the end user tests the product and ensures it is suitable for the application requirement.
